Plans for 2025:

Member Meeting Programs:
Trying to keep them more genealogy focused (less history)
Jan: Jeanne Hoadley on NEHGS's Million Names Project
Feb: Loretta Barker on finding her Patrick Henry Connection
Mar: tentative Mary Robsman and Kathie Ordal on Tabitha Brown
Apr: TBD
May: TBD
Jun: Anne Billiter on the Jean Mack Collection

Classes: Still to be scheduled
Kim Thurman - series on Google Maps and Google Earth

Classes (cont):

Barbara Northrup on Missouri

Jeanne Hoadley on using DNA to create Genetic Networks (including the Leeds Method)

Looking into something on AI

Looking into something on British/UK research

Will be reviewing survey results and Rogue Digger articles for ideas

Seminars: Looking for ideas for 2025 and 2026

Also hoping to find someone to lead this effort

2026 is the 250th anniversary of our nation and 60th anniversary of our society
