The Zoom Class was great

ZOOM was difficult to set up. As the first time after set up it went well.

Worked fine. Now that I know to press Enter to send my Chat.

I have done a lot of Zoom classes lately and you handled it very professionally. If you would have recorded it, it co
I thought it worked very well on ZOOM. Rich's presentation was clear and well organized. The handouts were a lit

Great class. I had to leave early though as I was attending while at work.

Zoom was easy to use. I had done it once before with my daughters.

Zoom experience was good.

Zoom worked well.

Zoom worked well. However, I missed talking to instructor and other participants after the class! (smile)

Most helpful

The course content was very thorough, whole being appropriately concise. It helped that Kym was monitoring the Details of the setting up a memorial and a virtual site

all

The new search capabilities. The info about what you can do as a member.

I liked following the handouts. The type on the slides on the handouts was a little small--some slides were hard

All good.

Going over the search capabilities of the memorials. I didn't realize that they didn't require last names any more!

I took class last year but found this helpful because of the new information.

Part on the new,improvements that have been done.

The PPT format with numbers next to controls on the screenshot.

The whole notion of not just using Find-a-Grave to search but to asking volunteers to look for graves & take photos

Learning about the ownership of the memorial and how it can be transferred to close relatives.

All topics were covered well

would like a follow up class

If there had been more time: actually create a memorial, step by step.

It seemed pretty comprehensive

I thought the content was well-covered

Everything was perfect.

Rich was so knowledgeable, really well prepared, and clearly loves using Find-a-Grave--great class.

I was very happy with this class on Find A Grave. I already downloaded the App!
