**LIBRARY COLLECTION**

- We received the donation of a genealogy researcher's large collection. It consisted of 17 grocery bags of books and papers, plus 2 tubes of maps. The books were in Mt. Shasta City and the donor decided she couldn't deliver them. I emailed member and inventory volunteer Martin Lenz, who lives in Montague and works in Mt. Shasta City, asking if he might be willing to pick up the books. He replied that evening by email that he could do it the next day, as he was driving to Redding and could pick them up on the way back and deliver them here the following day, Friday, April 28, which he did!
