

## RVGS Delegate National Genealogical Society

Matt Weismantel

8 April 2024

- March has been mostly a month of subcommittee and executive committee meetings, work sessions, and a few information requests and reminders via NGS FORUM.
  - Preparing for the next Delegate's Meeting on 16 May at the start of the NGS Virtual/Focus Conference/
  - The forum has a question that has generated an ongoing membership benefit-sharing between organizations (I have contributed ours)
  - A reminder was sent out about new free access to post to [Conference Keepers](#) now owned by NGS.
  - A request to share information sent to new members of the organization (Can I get this to share with Delegates?)
  
- The NGS Organization Member LOGO is finally available to the Administrator (Kim) at <https://www.ngsgenealogy.org/orgmemberlogos/> It is ready for download to use as a mark on the RVGS website and possibly for other uses related to his connection during the year.
  
- Looking forward to Eclipse watching after this meeting!
