

# **RVGS Delegate National Genealogical Society Report**

**Matt Weismantel**

**8 July 2024**

## **Online Survey**

The first online survey of NGS member organizations (geared to 10 demographic and operational structure questions). I completed the survey for RVGS with a deadline of 8 July 2024. I look forward to reporting to the group in the future as to the results.

Otherwise - No update this month.

- I was away for most of June.
- Although I participated in several Delegate Council exec and committee Zoom calls and meetings, none had pertinent info for RVGS.
