

Volunteer Director Report
Rogue Valley Genealogical Society
July 2024

We have ads for Treasurer and Book Seller Assistant in the July E-News, along with Ashland Chamber of Commerce RVGS Representative, Grant Writer, and Librarians needed. The Zoom Scheduler position listing got missed in the newsletter, but I will request that it be in the August e-News. No response that I know of from the ads.

Any other positions needed?

I would appreciate all board members be on the lookout for people to fill these positions. Please be proactive. I am rarely in the library and not well connected with other members. Any and all suggestions and help you can provide is appreciated.

Rene has not reported Volunteer Hours to me yet. I will update my report when received.

Total Hours Year to date: ?

The Summer Open House “Chasing Freedom” is progressing. Trader Joes, Umpqua Ice Cream, and Costco have donated items to help offset costs of the ice cream social. We did purchase decorations, but with the approximate \$150 from donating companies and sale of a few silent auction items and donated plant centerpieces we hope to offset a significant portion of expenses.
