### LIBRARY HOURS

The Jackson County Genealogy Library is temporarily closed due to COVID-19.

## The RVGS eNews

### Jackson County Genealogy Library Reopening Soon!

The Library Reopening Task Force has targeted Monday, July 12, for reopening the Jackson County Genealogy Library to in-person research with limited hours, Mon - Sat, 1:00 - 4:00 PM. While the date may seem quite distant, there are a number of items that need to be completed prior to turning on the lights and opening the doors. The Board of Directors is committed to ensuring the safety and comfort of both our members and volunteers. Due to a smaller pool of volunteer librarians, we anticipate beginning operations with reduced hours from our pre-pandemic schedule. State and county risk level guidelines will be followed, if in place at the time of opening. Oregon Health Authority requirements are quite fluid as COVID-19 cases decrease and vaccination numbers increase, and the Library Reopening Task Force will continue to monitor changes. Reopening guidelines will be announced on our website as we near July 12th.

On behalf of the Board, I want to thank you in advance for your patience and support. We are looking forward to seeing all of your smiling faces again soon!

Kim Thurman  
President, Rogue Valley Genealogical Society

## RVGS NEWS

### Welcome New Members!

**Welcome** to Shara Davis, Patricia Emslie, and Sherri Cook, the newest members of the Rogue Valley Genealogical Society!

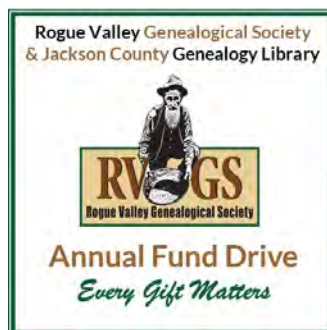

### Annual Fund Drive Launched

Dear Rogue Valley Genealogical Society (RVGS) Members and Supporters:

RVGS organizes one main fundraiser each year, our Annual Fund Drive. This year, the goal is to raise \$17,000, officially beginning on June 1, 2021, and closing on December 31, 2021. Your generous contribution to the Annual Fund will allow RVGS to keep our membership dues low and assist in covering operating expenses. Membership dues only cover about one-third of our operating expenses. The remaining expenses are covered by funds raised through our Annual Fund Drive. Any amount you give will help to provide support to RVGS to continue the current level of programming!

The 2021 Fund Drive will provide financial assistance for the following Initiatives:

- Developing special seminars
- Hosting guest speakers
- Increasing library resources
- Continuing online home page development and expansion of electronic resources
- Adjusting the library to the new “normal” by

implementing new use procedures and expansion of online resources

Thank you for making 2020 another successful year! Our membership is just around 710 members

with over 12,000 volunteer hours recorded.

Additionally, thanks to generous donations to the Annual Fund Drive, we surpassed the goal set by the Board. With 2020 Annual Fund Campaign dollars, we were able to shift to virtual classes while the library was closed, as well as expand our subscription website offerings and meet our operational expenses during a difficult year.

Our new website continues to be extremely beneficial for the Society, as the COVID-19 virus required us to temporarily close our doors to our members and the public. With the aid of new technology, we have been able to offer our members access to vital library subscription websites to facilitate family research from home. The addition of offering virtual Zoom courses and seminars has allowed RVGS to extend our reach, adding new members outside of our state and country! As we move forward with plans to safely reopen our library, continuing to develop online education for our members unable to join us in person will remain a focus.

Your generous and faithful participation in our Society is vital. Contributions can be made in three ways.

1. Go to our website, [www.rvgslibrary.org](http://www.rvgslibrary.org), to donate online under Support Us > Annual Fund Drive. If you would like to make monthly donations as a part of the Monthly Givers Club, just click the box for “Make this a monthly donation.”
2. Return the donation slip attached to the letter you received with your check in the envelope provided.
3. Drop off a donation at the library at 3405 S. Pacific Hwy, Medford (once we have reopened).

On behalf of the Board of Directors, thank you so very much for your donation!

Kim Thurman  
RVGS President

## Consider Leaving a Legacy Gift

Valley family history and world-wide genealogical library resources alive and supports our mission to inspire interest in genealogy, inform and educate the public, and maintain a growing sustainable library with a strong online presence. One of the best ways to support the Society is to name the RVGS as a beneficiary on your bank account, 401k, will, or trust.

Give today! All contributions and bequests are tax-deductible to the extent allowed by federal and state law. The Rogue Valley Genealogical Society is a 501(c)(3) non-profit organization, #93-0684590. ## Orphaned Photo Album Finds Its Way Home to Wisconsin

By Barbara Northrop  
RVGS received an anonymously donated collection of miscellaneous photos, including a leather-bound 5-inch by 6-inch album containing

twenty-eight unmarked photos. The only clues to the owners' identities were two names on the album index page. Thorough research showed a long family history in Watertown, Jefferson/Dodge County,

Wisconsin. The Watertown Historical Society had additional family pictures in their collection. After contacting the wonderful folks at the Watertown Historical Society, the photo album made its way home to them for safekeeping and hopefully to local family members.

## RVGS Family History Library Research Trip Update

GREAT NEWS! We have a Salt Lake City genealogy research trip in our future. The Family History Library is planning to reopen on July 6, 2021, with a modified schedule. The FHL will start their opening schedule

Monday through Friday, 9:00 AM until 5:00 PM. They will adjust hours as needed. Spread the word to all your genealogy friends. It looks like our trip is solid.

During the prolonged closure, the library made major renovations and improvements to the facility, including state of the art patron workstations. They have also added around 40,000 books to their hands-on collection.

The RVGS research trip is scheduled for October 3 - 10, 2021. Now that we know the library will be open, we can make plans. There are still SLC Plaza Hotel rooms available for our attending members. Now is the time to reserve your room. Just call the Plaza Hotel at 1-800-366-3684 before September 1st. Be sure to ask for your discounted Rogue Valley Genealogical Society rate.

For more information contact Ann Baracker at [abaracker@gmail.com](mailto:abaracker@gmail.com). Looking forward to seeing you at the Family History Library in October.

## Follow RVGS/JCGL on Social Media

The Rogue Valley Genealogical Society has had a strong presence on Facebook for quite a few years.

There, you can find not only our upcoming events, but also interesting Genealogical articles, tips, and resources that you won't find on our website or eNews.

Now, RVGS/JCGL is on Instagram! So be sure to follow us there as well as our newly renewed Twitter account! Whatever your social media preference is, RVGS has you covered!

## Volunteers Needed

With JCGL reopening soon, we are in need of volunteers more than ever. RVGS and JCGL is an all-volunteer organization that would not operate or exist without the members who donate so much of

their valuable time. Please consider becoming a volunteer; learn new skills, meet new friends, and become a supporter of one of the largest genealogical societies in the state!

## 33 New Books Added to JCGL in June

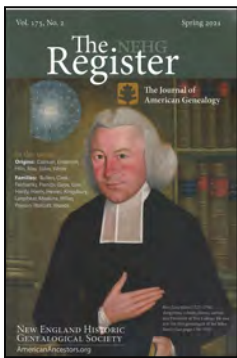

33 new books were added to the JCGL collection in June, including 17 books about the postal history of states, territories, and counties. The postal histories were donated by the Southern Oregon Philatelic Society. All include helpful history for genealogists and represent a seldom used or available resource. Many are about states which are not well-represented in the JCGL collection. Another major addition is the six-volume set *Missouri Flat Cemetery, Jackson County, Oregon; a gathering of genealogical information*. Margaret and Darrell Stafford spent years compiling this information about those buried in this Applegate Valley pioneer cemetery. We are pleased that the Missouri Flat Cemetery Association agreed that JCGL would be the best place for this valuable set. [Click here to see the complete three-page New Books list](#). Remember, books with "Circ" at the beginning of the call number may be checked out by RVGS members.
