## Rogue Valley Genealogical Society (RVGS)

RVGS is an all volunteer, non-profit organization founded in 1966. The society promotes family history research by providing educational and research opportunities at our Jackson County Genealogy Library and through our website, [rvgslibrary.org](http://rvgslibrary.org). The mission of RVGS is to inspire interest in genealogy, inform and educate the public, and maintain a growing sustainable library with a strong online presence.

### RVGS Public Programs

Monthly programs are open to the public and are held at the library. These informative programs augment personal genealogical and historical research. Information regarding the programs is published in the monthly RVGS eNews, the RVGS Calendar at [rvgslibrary.org](http://rvgslibrary.org), and on our Facebook page at [facebook.com/RVGS.JCGL](https://facebook.com/RVGS.JCGL).

### Pioneer Family Files

Pioneer and Early Settler Certificates are available to families of documented Jackson County, Oregon, pioneers. The Pioneer Family Files contain documentation of many pioneers and settlers who arrived in the Rogue Valley more than 100 years ago.

The research library has patron computers with subscriptions to Ancestry, Fold3, MyHeritage, Findmypast, American Ancestors, and HistoryGeo.
